## GERMO PET - TECHNICAL DATASHEET

# DISINFETTANTE DETERGENTE CONCENTRATO

**Germo PET** is the exclusive line of products that meets every need for cleanliness and healthiness in environments inhabited by families with pets.

Specifically designed to eliminate up to 99.99% of germs and bacteria, they contain an innovative Odor Eliminator formulation and a pleasant long-lasting Allergen-free scent.

**DISINFETTANTE DETERGENTE CONCENTRATO** is a disinfectant with an exclusive Allergen Free scent also appreciated by our animal friends to be used to disinfect and clean objects, floors and home surfaces.

**DISINFETTANTE DETERGENTE CONCENTRATO** is a powerful concentrated disinfectant suitable for all home environments that guarantees a complete disinfection of the rooms combined with an effective cleansing action. The particularly concentrated formulation allows the use of a minimum dose of product and a persistence of the parfum for all day: floors, surfaces and objects will be deep cleaned and the environment will be pleasantly scented.

**DISINFETTANTE DETERGENTE CONCENTRATO** thanks to its formulation acts directly on the microorganisms responsible for the formation of bad smells, inhibiting their onset. The formula is balanced to make surfaces clean and streak-free without rinsing.

## INSTRUCTIONS FOR USE

Easy and comfortable to use, it is diluted in the water. Does not require rinsing.

To cleanse: dilute at 2% (20 ml in a liter of water).

To disinfect: dilute at 5% (50 ml in a liter of water). Leave for 5 minutes.

In the case of surfaces and objects that come into direct contact with food: rinse with plenty of drinking water.

## PACKAGING

Internal code: P101	Primary packaging: 1000 ml bottle	Secondary packaging: Box containing 6 bottles
------------------------	--------------------------------------	--

Barcode 8009110026438	ITF 18009110026435	Box size (mm) 200 w x 188 d x 271 h	Pallet composition 96 ctn (4 floors da 24)
--------------------------	-----------------------	--	---

All primary packaging is made of high polyethylene density (HDPE) according to the specifications provided by the Pharmacopoeia. This material does not contain allergens and is perfectly compatible with all components of the formulation.
