ZOOTECHNY LINE – TECHNICAL DATASHEET

VULNEX SPRAY BLU

VULNEX SPRAY BLU is a product designed for the veterinary sector. Its unique formulation keeps flies and mosquitoes away from farm animals. Furthermore, its characteristic bitter taste helps prevent aggressive behavior among animals, including possible attacks on visibly lacerated areas.

The strong blue color makes it easy to identify the treated areas.

APPLICATIONS

For veterinary use.

VULNEX SPRAY BLU is suitable for a variety of uses: for cleaning stores and wounds and marking animals, as well as treating umbilical cords and foot rot in sheep.

INSTRUCTIONS FOR USE

Use VULNEX SPRAY BLU by spraying it directly onto the part of the animal to be treated.

CONFEZIONI

Internal code:	Primary packaging:	Secondary packaging:
C090	250 ml bottle	Box with 12 bottles

Barcode	ITF	Box size (mm)	Pallet composition
8009110029750	08009110029750	294 w x 210 p x 170 h	112 boxes (8 layers x 14)

All primary packaging is made of high-density polyethylene (HDPE) in accordance with the technical specifications set by the Pharmacopoeia. This material is latex-free and perfectly compatible with all the components of the formulation.

ZOOTECHNY LINE – TECHNICAL DATASHEET

VULNEX SPRAY BLU

COMPOSITION

Quaternary ammonium salt; 2-hydroxybiphenyl; coformulants.

CHARACTERISTICS

Deep blue liquid

WARNINGS

Keep out of reach of children. The product is sensitive to low temperatures and tends to crystallize. To restore the fluidity of the solution, heat gently (30-35°C) until the crystals have completely dissolved (about 30 minutes). Do not exceed the recommended temperature. The product stains blue.

VALIDITY

5 years. The shelf life indicated refers to the product kept in its container and correctly used and stored.

HOW TO STORAGE

Store in a cool, dry place away from heat sources.

QUALITY CONTROL

The components (raw materials, containers, labels, etc.) and the processing phases of each individual batch are punctually and carefully checked internally following the procedures of the company's UNI EN ISO 9001 certified Quality Management System.
