GERMO PET - TECHNICAL DATASHEET

DISINFETTANTE MULTIUSO

Elimina Odori

Germo PET is the exclusive line of products that meets every need for cleanliness and healthiness in environments inhabited by families with pets.

Specifically designed to eliminate up to 99.99% of germs and bacteria, they contain an innovative Odor Eliminator formulation and a pleasant long-lasting Allergen-free scent.

DISINFETTANTE MULTIUSO is a disinfectant with an exclusive Allergen Free scent also appreciated by our animal friends: it disinfects, perfumes, and eliminates unpleasant bad smells.

DISINFETTANTE MULTIUSO Line is a ready to use product, it does not require rinsing, easy and comfortable to use, thanks to the dual function trigger it can also be dispensed in the form of foam, very useful for removing animal hair from tissues.

DISINFETTANTE MULTIUSO, quickly eliminates bacteria, fungi and bad smells from all surfaces and, in one pass, disinfects and cleans plastic, steel, wood and ceramic objects (bedding, carriers, kennels, cages, little cages etc.); surfaces (sanitary ware, tiles, tables etc.); vertical surfaces (doors, walls, etc.); floors (to treat small areas, for example in the case of incontinence of the animal).

INSTRUCTIONS FOR USE

DISINFETTANTE MULTIUSO is indicated wherever rapid intervention is required since it is ready for use, it leaves no residue, it does not require rinsing and dries without leaving halos.

To disinfect: distribute the product by uniformly recovering the area to be disinfected. The objects must be kept in contact with the product for at least 15 minutes in order to eliminate bacteria and fungi;

For daily cleansing: evenly dispense the product on the surfaces/objects to be treated and distribute with a cloth or paper;

In the case of surfaces or objects that come into direct contact with food: rinse with plenty of drinking water.

PACKAGING

Internal code:		Primary packaging:		Secondary packaging:	
P002		750 ml bottle		Box containing 6 bottles	
Barcode	ITF	Box size (mm)		Pallet composition	
8009110025400	8009110025400	202 w x 160 d x 306 h		88 ctn (4 floors da 22)	

All primary packaging is made of high polyethylene density (HDPE) according to the specifications provided by the Pharmacopeia. This material does not contain latex and is perfectly compatible with all components of the formulation.
