

HOME CARE LINE - TECHNICAL DATASHEET

DISINFETTANTE MULTIUSO

DISINFETTANTE MULTIUSO of Germodis Home Care Line is designed to quickly disinfect, de-grease, cleanse and deodorize objects and surfaces; it is indicated wherever a rapid intervention is necessary as it is ready for use; it also no leaves residues, does not require rinsing and dries quickly without leaving halos.

Its particular formulation does not damage the materials, it is therefore suitable for disinfecting surfaces and objects of all kinds.

DISINFETTANTE MULTIUSO of Germodis Home Care Line is also indicated for the disinfection and deep cleansing of vertical or particularly difficult to reach surfaces (walls, doors etc.) thanks to its trigger that allows you to reach uncomfortable areas.

DISINFETTANTE MULTIUSO of Germodis Home Care Line also combines the disinfectant and detergent action with the deodorant, neutralizing the origin of bad smells and leaving the rooms pleasantly scented.

APPLICATIONS

DISINFETTANTE MULTIUSO does not damage the materials and is therefore indicated for disinfecting, degreasing, cleansing and deodorizing, even daily:

- Surfaces and plastic objects, steel, wood and ceramic: such as lacquered furniture, tables, desks, chairs, tiles, doors, fixtures, toilets etc.
- Surfaces and objects that come in contact with children and newborns: changing tables, booster seats, cots, baby bath tubs, high chairs etc.

INSTRUCTIONS FOR USE

DISINFETTANTE MULTIUSO is easy, quick and sure and it can be sprayed or poured directly on the surfaces or objects to be disinfected.

To disinfect: distribute the product covering evenly the area to be disinfected. The objects must be in contact with the product for at least 15 minutes in order to eliminate bacteria and fungi.

For daily cleansing: distribute the product evenly on the surfaces or objects to be treated and distribute it with a cloth or paper.
