# VULNEX SPRAY BLU

VULNEX SPRAY BLU is a blue marker spray for veterinary use.

Thanks to Citronella essence, it keeps away flies, mosquitoes and bugs from farm animals.

The bitter flavour helps to avoid aggressive behaviour among animals, including possible attacks on lacerated areas.

The blue coloration makes it easier to identify the treated parts.

### APPLICATION

For veterinary use.

VULNEX SPRAY BLU is suitable for cleansing lesions and wounds and the marking of animals, as a treatment for calves umbilical cord and sheep footrot.

### INSTRUCTIONS FOR USE

Use VULNEX SPRAY BLU spraying it directly on the part to be treated.
